

Bilzen, Belgium and Ponzano Veneto, Italy

10th March 2010

Press release

Keestrack N.V. Belgium and OMTrack s.r.l. Italy announce today, the 10th March 2010, their joint operations .

Keestrack N.V. , Belgian manufacturer of track mobile screening plants acquired a major share of the Italian manufacturer of track mobile crushers, OMTrack s.r.l of Ponzano Veneto.

Both companies see their market position strengthened by combining their advanced product lines of track mobile screens and track mobile crushers.

Keestrack N.V is adding the well established and proven mobile crusher line of OM to their product line of track mobile screeners.

Both companies are maintaining extensive dealer / distributor networks worldwide .

The new, more complete, product line allows a further expansion of the already existing dealer / distributor network.
